

*Swim, play, fish and run but, do not forget  
Summer Reading when you are done!*

Attached is the Summer reading list for incoming 1st graders. The Mobile Public Library is a great resource to find these books! Just ask a librarian to help you. Most of these titles can be found on-line if you use an electronic reader.

Please complete the 3 attached book reports on 3 books of your choice and return them on the 1st day of school. We wish you a wonderful summer and are excited to hear all about the wonderful books that you will read!

Happy Reading,  
First Grade Teachers
