

Birthdays are a special time on the Lower School Campus at St. Luke's. During the month of your child's birthday, please consider donating a book to the Japonica Library that will be presented to your child during Chapel. Your student selects his or her birthday book from a special group of new books, purchased for our birthday book program. After a student selects their birthday book, a personalized bookplate is produced for the front of the book. Birthday presentations will be made during the Chapel closest to the child's birthday:

The birthday boy or girl is the first to read the book and when returned, the book is placed on the library's special birthday shelf for all to enjoy. If you would like to participate, please complete the form, and include payment (cash or check) of \$20.00 and return to Ms. Warner in the Library.

Thank you for supporting the love of reading and our library.
