

Veterans Day

Each year St. Luke's likes to recognize and honor our veterans for their service to our country. Both Japonica and the University campuses will have special events on **Friday, November 10. The University Campus** will begin the day with a breakfast for our veterans and family members at **7:00-7:45** in our dining hall followed by a special assembly at **8:00** in the Louise R. Moorer Center for the Performing Arts. There will be student performances by our choral, center stage, and communication classes as well as patriotic art work provided by our art students. Our guest speaker will be City Councilman John Williams, U.S. Army Major, retired.

At 10:00 in the church, **the Japonica Campus** will have a special program of patriotic music provided by our lower school students. Mr. Craig Covert, USMC Retired, parent of one our K3 students, will be our guest speaker. Following the program, there will be a reception for our veterans and guests in St. Luke's Hall. Members of St. Luke's Episcopal Church who are veterans are also invited to enjoy the program and reception.

We are just delighted to have two opportunities to honor our veterans. Please invite family members and friends who are veterans to be a part of this memorable day!
