

JUNIOR CAMPER WEEKLY INFORMATION

SUMMER CAMP 2018

Our Junior Camp is open to ALL students from rising K3-K5. Our Nappie winning camp has the BEST staff in Mobile. Our Junior campers do not take field trips, but we bring the fun right to them! We set up our age appropriate blow up pool area with bubbles, chalk, and unlimited fun! We also have a waterslide available as well as scheduled guests! We offer enrichment classes daily. The children will participate in our Lil Music Makers, art and creation station, science, library, and Spanish!

Below is a guide of weekly themes that we will offer the junior campers. Themes and plans are subject to change.

Week 1 (5/29-6/4): "GONE CAMPING" - Are you ready for a Camptastic Summer? We are going to have S'more fun with science projects, bug activities, story telling, building with nature, going on a scavenger hunt, making art with nature, and MUCH MORE. C'mon, Let's keep calm and camp on!

Week 2 (6/4-6/8): "SHARK WEEK" - Our Junior Campers will learn all things "Ocean". We are diving right in! Come take a "bite" and see what this week is all about. We will be learning fun ocean facts, playing ocean themed games and relays, and having ocean themed science projects. BEWARE! It will be "Jaw-some"!

Week 3 (6/11-6/15): "LITTLE DETECTIVES SUPERHERO SPY SCHOOL" - We have a problem that only Camp Wildcat Campers can solve! We will be superheroes all week and take you on a secret mission to solve a mystery! We will learn about fingerprinting, collecting clues, play games, and solve crimes. We will be making masks and capes, but you can bring your own costume if they are potty friendly! Superhero capes and masks are encouraged, but not required. Don't forget to label everything!

Week 4 (6/18-6/22): "MAGICAL WORLD OF CAMP WILDCAT" - We will become everything from knights to pirates to princesses to magicians! Expect a very special visitor and a princess and pirate ball. We will learn magic, make potions and wands. We will make themed art and costume pieces. Potty friendly costumes are encouraged, but not required. Don't forget to label everything!
