

Summer Math Small Group Tutoring

Who: Upcoming 2nd graders

What: We will meet once a week to work on math skills and strategies involving students required summer math packets provided by the 2nd grade teachers. This way, students/parents will not have to stress over the project right before school starts. This packet will be due at the beginning of school and it is worth a grade. This is a great chance for students to be exposed to second grade level math skills and strategies.

When: Summer break (over the course of 5 days). Sessions will be one hour long. Here are the session dates: July 16, 17, 18, 19, and 20.

Time: 2:15 p.m.- 3:15 p.m.

Where: Mrs. Champagne's classroom- Room #203- You may drop your child off at the 3rd grade carpool gate and pick them up there as well. If your child is in Summer Camp, please let me know and I can pick up/drop off from the camp.

Cost: \$125 for 5 sessions once a week- Money is due on or before sessions start and can be paid in cash or a check made out to SLES.

*****Maximum group size is 10 students. Please register quickly to reserve your child's spot!*****

Please let me know if you have any questions: kchampagne@stlukesmobile.com.

Happy Summer, Mrs. Champagne
